The Elegant Solution

Lightweight and stylish metallic badges

Badges with highly reflective, bevelled-edges, perfect for low light environments such as hotels, theatres, cinemas...

- Finished in chrome or gold-plate
- Particularly lightweight & slim (Shown actual size)
- Tough – the brooch pin is also integrated into the badge
- Your design or logo can be printed, or for a greater impact we can affix various types and styles of logos depending on your needs
- You can name the badges yourself using a standard self adhesive label printer which we can supply, or we can permanently engrave your badges for you
- Our design service is free so we will be able to advise you on the best layout and the most suitable options available
