## A Smart Solution

Slim, hardwearing and reusable

SL4

Print protected  
by easy-wipe  
smooth surface

SL6

Shape and  
size of window  
can be  
made to suit

Safe  
rounded  
corners

**Reusable - a perfect solution if you have a high turnover of staff, changes in job titles, or employ temporary staff.**

- Particularly lightweight and slim.

- Using your standard office software and printer, you can name the badges yourself. We include the card and instructions.

No special software required

We can design your badge to suit a standard label printer, which we can supply.

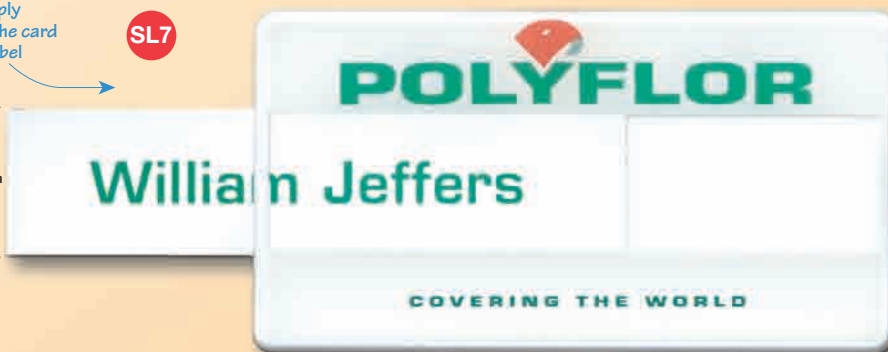

Name instantly

- Your printed logo is protected by a smooth easily wiped surface.
- The badge is supplied with a close fitting brooch pin as standard. A wide range of other fittings are available.
- Take advantage of our experience and free design service; let us help you make the right choice.
